

# JACQUELINE RIPSTEIN

## SHORT BIO

Jacqueline Ripstein is an International renowned Fine Art Artist, Art Healing Pioneer and Author. For over 50 years, with more than 400 International shows, she has inspired thousands of people across the world.

Born in Mexico, self-

taught, won a national PrismaColor diploma at 12 yrs. old. The US gave her the O1 visa as an extraordinary talented artist.

A unique creative that has dared cross the boundaries of the traditional Art schools. She is the author of:

**The Art of HealingArt – The Keys to Power and Awareness**

And an inspiring collaboration book with master Poet AGRON SHELE as a compilation of Jacqueline's Art with master Poets from around the world. Where each poet wrote a unique poem for a chosen Art image of Jacqueline's Art:

**This unique book is a Gift of Light to inspire our Humanity;**

**THE ARTS AS A CONDUIT OF LIGHT:THE AWAKENING**

Jacqueline's search for GODSlight took her in a journey where she discovered since 1986 new ways of portraying in Art INVISIBILITY..

she has patented more than 5 unique creative patents among them:

Invisible Art & Light technique pat & ™

(First pat.1986).

Her ART & Books are a tool to help us deal with Life's challenges, a guide to help us awaken; to raise our consciousness and vibrations. Various renowned intl.

scientists have studied Jacqueline's art & have proven that her unique works transmit high vibrations and contain healing properties.

Her deep desire has been to reveal

the unseen dimensions and to offer a breath of hope to our humanity. Her art reveals the Light within all of us and the Invisible dimensions that create our everyday lives.

She has advocated for World-Peace helping to raise human consciousness.

*Only those that see the Invisible... Can do the Impossible...*
